

## CORE EXTENSION SERVICES

- Trainings
- Farm and Business Advisory
- Technology Demonstration
- IEC Material Development

## ATI's THRUSTS AND PROGRAMS

### I. Training and other AF-Related Activities, and Extension Support

- Training & Extension Support Services (Regular, Rice, Corn, HVCDP, Organic Agriculture, Livestock)

### II. Scholarship

### III. Digital Platform/Digitalization

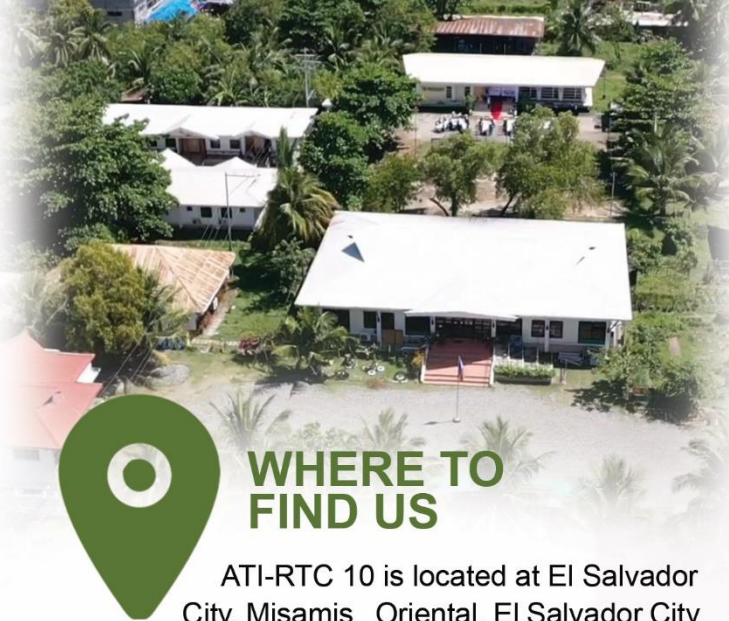

- e-Extension (e-Learning, e-Farming)
- School on-the-air Program (SOA)
- Rice Crop Manager (RCM)
- Digital Farmers Program (DFP)

### IV. Other Extension Support Services

- Learning Site Establishment & Enhancement
- Extension Service Provider
- Farmers Information and Technology Service Center
- Rural-Based Organization & 4-H Club Program
- Knowledge Products Development & Services (Techno-based and corporate IEC materials)
- Gender and Advocacy Program

### V. Extension Policies and Governance

- Province-Led Agriculture and Fishery Extension

## WHERE TO FIND US

ATI-RTC 10 is located at El Salvador City, Misamis Oriental. El Salvador City is bordered by the municipality of Alubijid to the west and Opol to the east and south. On the north lies Macajalar Bay in the Bohol Sea. The town does not have air and sea transportation facilities. Nearby Cagayan de Oro City is the main port of entry to Misamis Oriental and Northern Mindanao.

From there, one would then take bus or provincial jeepney from the Bulua-Westbound Bus and Jeepney Terminal. The Laguindingan International Airport is located just two municipalities away from El Salvador City.

# AGRICULTURAL TRAINING INSTITUTE

REGIONAL TRAINING CENTER X

# VISION

Food availability and affordability for every Filipino family through excellent extension services in agriculture and fisheries.

# MISSION

Empowerment and building capabilities of Agriculture and Fisheries stakeholders for sustainable development.

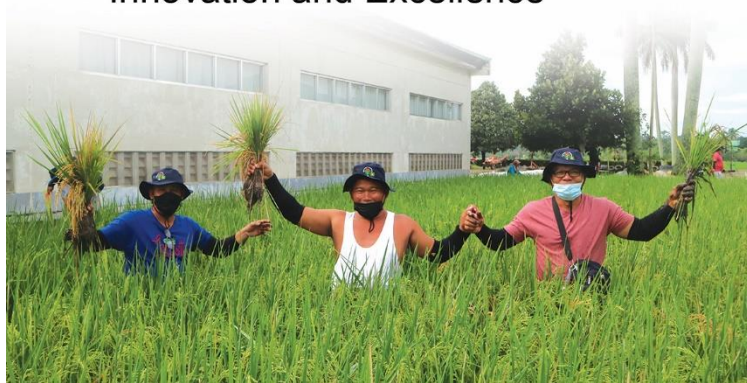

# QUALITY POLICY

The Agricultural Training Institute leads in the professionalization of the Philippine agricultural extension service towards food security and prosperity.

# CORE VALUES

We, in ATI, are committed to uphold our core values, reiterated as follows:

- Customer Focus
- Commitment
- Resource Stewardship
- Innovation and Excellence

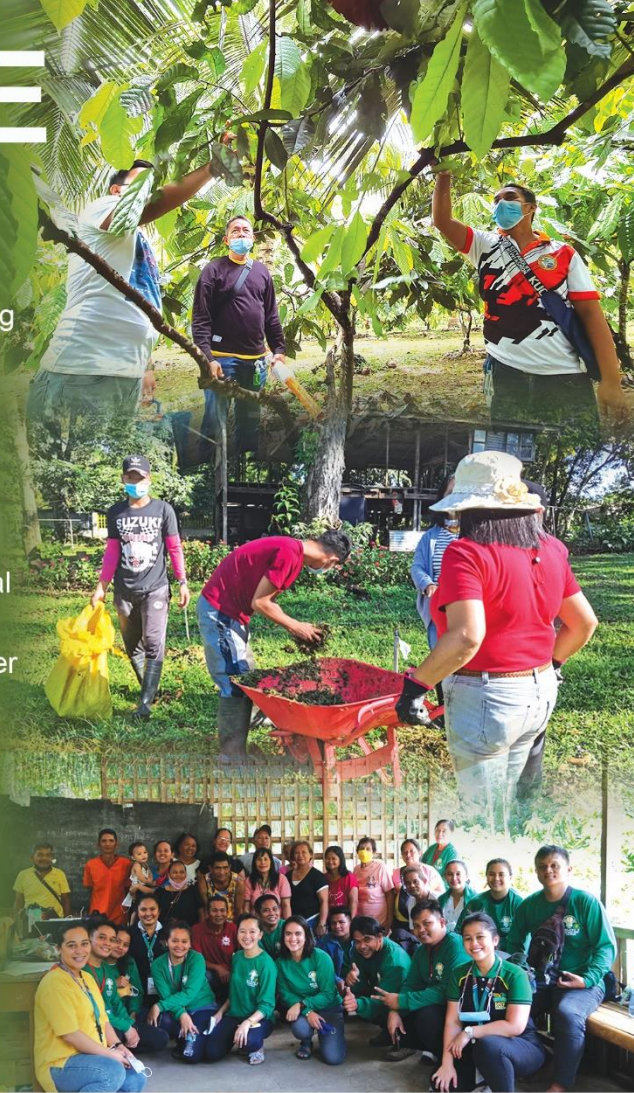

# WHO WE ARE

In January 1987, the Department of Agriculture was restructured under the Executive Order No. 116. It was the merging of three Bureaus namely, the Bureau of Agricultural Extension (BAEx), the Philippine Agricultural Training Council (PATC) and the Philippine Training Center for Rural Development (PTC-RD) which created the Agricultural Training Institute (ATI).

ATI started to operate with only 10 training centers in 1987. In 1989, a total of 41 training centers rose nationwide when 26 Regional Training Centers (RTCs), Farmers Training Centers (FTCs), Regional Fishermen Training Centers (RFTCs) and the International Training Center on Pig Husbandry (ITCPH) were created.

In Region 10, four centers were installed in 1988. The National Training Center based at CMU, Musuan, Bukidnon serviced the training needs and agricultural stakeholders and ATI staff of the whole Mindanao zone. The ATI-Regional Training Center based at El Salvador, Misamis Oriental and Camiguin. The ATI-Farmers Training Center based in Cagayan de Oro City serviced Misamis Occidental, and the ATI-FTC based in Iligan City serviced Lanao del Norte.

In 2004, ATI again restructured and the four centers were merged to become ATI-RTC X. The Main office is at El Salvador City, Misamis Oriental. Our area of coverage is the whole of Northern Mindanao which includes the province of Misamis Oriental with 23 municipalities and 3 cities; province of Misamis Occidental with 14 municipalities and 3 cities, province of Bukidnon with 20 municipalities and 2 cities; Lanao del Norte with 22 municipalities and 1 city; and Camiguin with 2 municipalities.
