# About **ATI**

The **ATI in MIMAROPA** continues to innovate its extension strategies to carry out the network's sole vision which is food availability for every Filipino family through excellent extension services. Part of the Center's innovation is the continuous improvement of its amenities to better serve our clientele to make them feel at home while attending training and staying in the office. It offers various facilities for trainings, seminars, and workshops as well as lodging and accommodation for guests and participants, such as the Center for Agriculture and Fisheries Extension Training (CAFÉ) Halls, guest dormitory, Processing Hub and e-Learning Lounge.

Applying the "**Walk the Talk**" concept, the ATI in MiMaRoPa has techno-demo areas for hands-on learning. Moreover, the Center continues to expand partnerships to advance excellence in agriculture and fisheries extension by the establishment of Learning Sites for Agriculture (LSA), School for Practical Agriculture (SPA), Extension Service Provider (ESP), and Farmer's Information and Technology Services (FITS) Center.

Come and enjoy our amenities while learning by doing. In ATI in MiMaRoPa, **You** deserve **no Less** but the **Best**.
