**Wood Vinegar Production**

## e-EXTENSION PROGRAM for Agriculture and Fisheries

[www.e-extension.gov.ph/elearning](http://www.e-extension.gov.ph/elearning)

## What is Philippines' E-EXTENSION?

The electronic delivery of extension service is a network of institutions that provide a more efficient alternative to a traditional extension system for agriculture, fisheries and natural resources sectors.

It maximizes the use of information and communication technology to attain a modernized agriculture and fisheries sector. It focuses on creating an electronic and interactive bridge where farmers, fishers and other stakeholders meet and transact to enhance productivity, profitability and global competitiveness.

## What is the role of ATI?

Through Department Order No. 03 series of 2007 designates the Agricultural Training Institute as lead agency for the provision of e-Extension services in collaboration with the various agencies, bureaus and organizational units of the Department of Agriculture (DA).

This is to integrate and harmonize Information Communication and Technology (ICT)-based extension delivery system for agriculture and fisheries.

## FOLLOW THESE *simple steps* TO ENROL...

1

Log on to the e-extension site by typing the URL address  
[www.e-extension.gov.ph/elearning](http://www.e-extension.gov.ph/elearning)

3

The “new account” page will load where you have to fill-out some necessary information, including your desired “username” and “password.” The fields that are marked with **red asterisk (\*)** are required information that will be asked from you (*TIP: Fill out your name correctly as this will be the basis of your certificate printing*)

2

Double click the “**create new account**” at the left hand corner of the site just below the “login” box

4

After you have finished filling-out all the necessary fields for registration and agreeing to the site policy agreements, click the “create my new account” button at the lower part of the page. An email will be sent to you by the site administrator for confirmation or a text message informing you that you have been registered to the e-learning site.
