WHEREAS, one of the functions of BAC is to recommend to the Head of Procuring Entity (HOPE) the mode of procurement to be undertaken to meet the actual conditions and to ensure that the same is most advantageous to the government;

WHEREAS, Section 48, Rule XVI Alternative Methods of Procurement of the Revised Implementing Rules and Regulations (IRR) of R.A. 9184, otherwise known as the “Government Procurement Reform Act” provides that in order to promote economy and efficiency, the procuring entity may resort to any of the alternative methods of procurement provided that the most advantageous price for the government will be obtained;

WHEREAS, Section 50 provides further that **Direct Contracting** or single source procurement is a method of procurement of goods that does not require elaborate Bidding Documents. - b) When procurement of critical components from specific supplier is a condition precedent to hold a contractor to guarantee its project performance, in accordance to the provisions of its contract; or
- c) Those sold by an exclusive dealer of manufacturer which does not have sub-dealers selling at lower prices and for which no suitable substitute can be obtained at more advantageous terms to the GoP.
